

Experience  
the coast  
in your  
own home

## The allure of hardwood without the maintenance

Bring the look of the coast into your home. Now the natural beauty of the outdoors can be placed in any room of your house. The Coastal Collection by Global GEM Flooring has commercial-grade durability with the look of natural wood. So whether your family consists of a pack of furry friends, children who love to play, or maybe a mix of both, these floors are built to look great and make clean up easy.

- Looks and feels like real wood
- Plank-Style Floating Install with Superior Click System
- 20 mil. wearlayer for added scuff resistance
- Great for kids, pets and high-traffic areas
- Premium IXPE underlayment

### Important Information about Rigid Core Flooring

RigidCore Flooring is a beautiful reproduction of wood and therefore variations in color, tone and graining are to be expected. Please note that the display samples may not always be a true representation of the final product. For this reason, new and/or replacement flooring may not exactly match display samples and/or existing flooring.

*Product image colors may vary due to print processes and monitor display settings.*
